Dear Parents and Friends,

## FEELING PRIDE

Grit and inner motivation are building blocks to success, yet we sometimes struggle with how to instil these qualities in children. The arrogance of feeling superior to others was once considered to be one of the seven deadly sins. But researchers have focused on a healthier, more productive type of pride. Authentic pride - the deep personal satisfaction of hitting a valued goal - can encourage the kind of self-discipline and hard work it takes to stay motivated, overcome challenges and achieve.

A study last year by German researchers found students who reported feeling positive emotions such as pride and enjoyment in their work had significantly better achievement over time than students who had the same level of ability but fewer positive emotions.

On the other hand, feeling a lack of pride in our work can motivate us to worker harder, too. One study found that students who did poorly told researchers that they planned to study more in the future and then went on to perform better on the next exam.

Pride acts as a barometer of achievement. Pride makes you value long-term goals more than present ones and builds self-control and grit from the bottom up.

Parents play a critical role in building their child's sense of pride. Our brains don't come hard-wired to know what to take pride in, such as grades or sports, so children initially look to parents and then to teachers and peers to find out what's valued by those around them and therefore what goals are worthwhile to pursue.

When young people are engaged in areas where they feel confident and proud, it creates a ripple effect, giving them the motivation and encouragement to take on new challenges in other areas of their lives.

To teach children how to use pride as a motivational tool, point it out: Did you notice how you felt when you aced your test, built that model plane or sang that song? If they're feeling a lack of pride over a test score or performance, talk through the actions they can take to avoid feeling that way in the future. To stay intrinsically motivated, children must feel as if they're improving toward a goal, so point out the pride they should feel in the small successes along the way.

When we withhold genuine praise or downplay pride, we deprive children of a powerful source of motivation that can help them persevere in the face of challenges today and throughout their lives.

## **WE NEED SAINTS...**

As our Pilgrims prepare for World Youth Day 2019 in Panama, I'd like to share the following poem I recently received with the instructions that it was delivered by Pope Francis at a previous World Youth Day:

### WE NEED SAINTS

We need saints without veil or cassock.

We need saints who wear jeans and sneakers.

We need saints who go to the movies, listen to music and hang out with friends.

We need saints who put God in first place, but who let go of their power.

We need saints who have time everyday to pray and who know how to date in purity and chastity, or who consecrate their chastity.

We need modern saints, Saints of the 21st century with a spirituality that is part of our time.

We need saints committed to the poor  
and the necessary social changes.

We need saints who live in the world and who are sanctified in the world, who are not afraid to live in the world.

We need saints who drink Coke and eat hot dogs, who wear jeans, who are Internet-savvy, who listen to CDs.

We need saints who passionately love the Eucharist and who are not ashamed to drink a soda or eat pizza on weekends with friends.

We need saints who like movies, the theater, music, dance, sports.

We need saints who are social, open, normal, friendly, happy and who are good companions.

After doing further research, with a curiosity to learn more about our Pope, on reputable websites I found that this poem has been mis-attributed as a direct quote from Pope Francis at World Youth Day in Rio de Janeiro, an event that many pilgrims from our Parramatta Diocese attended.

It has been circulated on facebook and has appeared online as early as 2010 of an unknown author. Although, I love the sentiment of the poem, I am also moved by the great things Pope Francis really did say in his address.

A favourite quote of mine directed to the youth is:

“Christ has confidence in young people  
and entrusts them with the very future of his mission,  
'Go and make disciples.'

Go beyond the confines of what is humanly possible  
and create a world of brothers and sisters!

And young people have confidence in Christ:  
they are not afraid to risk for him the only life they have,  
because they know they will not be disappointed.”

(Pope Francis WYD 2013).

We pray with and send special blessings to Miss Karlie Beckhaus and Mr Joseph Eid as they prepare for their Journey to Panama in January, to be a part of World Youth Day 2019.

# BOOK WEEK 2018

Last Wednesday we held our annual Book Week celebrations. The theme for this year was 'Find your Treasure'. We discovered that all books are treasures and can be special to different people for different reasons.

We started the day with an assembly which included a parade by all classes. The children's and teacher's costumes were outstanding and it was great to see everyone getting into the spirit of the day.

The teachers put their acting skills on show to present the story 'BOY', which was one of the shortlisted books.

*It was fantastic to see so many parents join us for the Assembly.*

After recess the children participated in a number of activities both inside and outside of their classrooms. They rotated throughout the session working with different teachers creating maps, going on treasure hunts, making puppets, singing and dancing.

The afternoon session saw the children move into their Peer Support groups where they broke into teams and had a whole school Book Trivia game.

The children had a wonderful day, highlighting the importance

of reading and the 'joy of books'.

Kind Regards.... Let us

remember that as many hands build a house, so many hearts make this school.

### **Gospel** Mk 7:1-8. 14-15. 21-23

A reading from the holy Gospel according to Mark

#### **You forget the commandments of God and hold on to human tradition.**

The Pharisees and some of the scribes who had come from Jerusalem gathered round Jesus, and they noticed that some of his disciples were eating with unclean hands, that is, without washing them. For the Pharisees, and the Jews in general, follow the tradition of the elders and never eat without washing their arms as far as the elbow; and on returning from the market place they never eat without first sprinkling themselves. There are also many other observances which have been handed down to them concerning the washing of cups and pots and bronze dishes. So these Pharisees and scribes asked him, **'Why do your disciples not respect the tradition of the elders but eat their food with unclean hands?'** He answered, 'It was of you hypocrites that Isaiah so rightly prophesied in this passage of scripture:

**This people honours me only with lip-service, while their hearts are far from me.**

The worship they offer me is worthless, the doctrines they teach are only human regulations.

**You put aside the commandment of God to cling to human traditions.'**

He called the people to him again and said, **'Listen to me, all of you, and understand. *Nothing that goes into a person from outside can make him unclean; it is the things that come out of a person that make him unclean.* For it is from within, that evil intentions emerge.**

**The Gospel of the Lord.**

**R: Praise to you Lord Jesus Christ.**

### REFLECTION ON THE SCRIPTURE

God, embodied in Jesus Christ, is contagious. The contagion of Divine Life is meant to flow into the inner depths of personality, into the heart. When this occurs, the Divine Life in the human person causes **'holiness'**. **We have to strive to put ourselves in the way of this contagion.**

**We become holy when we allow ourselves to be touched by our Lord Jesus Christ.**

**How do we do this? By hearing of His life in the Gospel, by being nourished by His life in Holy Communion,** by being touched by the plight of those in whom He is to be found. St James in the second reading describes some who are particularly vulnerable in a patriarchal society with no social security system: the widows and orphans.

No doubt, we can identify equivalent groups in our own society and overseas.

We could take a moment to pray that we might be more conscious of the Holy Spirit germinating something in our hearts, making us holy from the inside out, **that our holiness be authenticated by good works so that we may be holy as the Lord our God is holy.** © Fr Michael Tate

**THE SACRAMENT OF CONFIRMATION** was celebrated with Most Reverend Peter Williams, Fr Brenda, Fr Guy, Fr John and several visiting priests.

 Scripture

Students have been learning about the Sacrament of Confirmation and how the Holy Spirit is revealed in Scripture and in the doctrine of the Church.

They have come to a deeper understanding and appreciation of the Church as a welcoming, caring and celebrating community, which began its mission at Pentecost, under the inspiration and guidance of the Holy Spirit.

God gives us abilities to create and renew through the transforming presence of the Holy Spirit in the World.

At Confirmation candidates received the grace of the Holy Spirit.

Our challenge and opportunity is to respond to God's love through the strength of the Holy Spirit, which is a grace we receive to guide and strengthen each of us to do God's work in the world.

Embedded here is a most powerful prayer. It is a prayer we are encouraged to pray often at all times in our life. The Holy Spirit is there wanting to guide us. We just need to ask in our prayer.

*Breathe in me, O Holy Spirit, that my thoughts may all be holy.*

*Act in me, O Holy Spirit, that my work, too, may be holy.*

*Draw my heart, O Holy Spirit, that I may love only what is holy.*

*Strengthen me, O Holy Spirit, that I may defend all that is holy.*

*Guard me, O Holy Spirit, that I myself may always be holy.*

*(St Augustine)*

# **MANDATORY COMPLIANCE AND GENERAL REMINDERS**

## **Pastoral Care and Student Wellbeing Policy**

Our policies and procedures for student wellbeing are based on the Positive Behaviour School framework putting the focus on student learning.

Our behaviour expectations are:

- We are Respectful
- We are Safe
- We are Learners

And our motto is: At OLR I am a Respectful, Safe, Learner.

Behaviour expectations are taught to all students and individual plans are developed for students requiring more intensive support.

In line with the Student Wellbeing Policy, discrimination, harassment or bullying is not permitted. Incidents arising pertaining to these matters need to be conveyed to the class teacher and will be dealt with in an appropriate manner. For further details, visit the school website: [www.olorstmarys.catholic.edu.au](http://www.olorstmarys.catholic.edu.au). The school follows the CEDP Anti-Bullying Policy.

Our Lady of the Rosary policy ensures procedural fairness by following the fair hearing rule, and the right to an unbiased decision. OLR staff neither use, nor sanction, corporal punishment. When an incident occurs which requires the individual to be disciplined, staff ensure that it is dealt with, in an appropriate manner taking into consideration the above requirements.

## **Supervision at School**

Please remember that playground supervision at school commences at 8.15am and concludes at 3.25pm. At afternoon dismissal, children must be collected by 3.15pm. For safety reasons, children should not be at school before or after these times.

## **School Starting Time**

School starts at 8.45am. Children need to be at school by 8.30am so they can have a play and socialise with their friends and go to the toilet before lessons start.

## **If your child is absent from school**

If your child/ren are away from school, it is a legal requirement that we receive an explanation as to why your child was away. You can either send a note with your child as soon as they return to school, or absent notes can also be sent in via the school Skoolbag app. The directions to download this app are on the school website. If no explanation is received then your child is marked as an unexplained absence. All absences (explained & unexplained) are noted on your child's Semester 1 and 2 Learning Report.

## **If your child arrives late or leaves early**

If your child/ren arrives late for school, **you** need to bring them into the office and sign them in with an explanation as to why they are late.

If you need to collect your child early from school, you must send a note to the Principal at least the day before you need to pick them up early explaining why they need to leave early and asking for permission.

*Mandatory compliance & General Reminders cont'd*

### **Photos at School**

Due to privacy issues, any photos taken at school or school events should be taken of your own children only. Whole group and class photos are fine to take.

### **Complaints and Grievances Procedures**

From time to time concerns may arise in regard to the school between different stakeholders. The following procedures have been developed to effectively address any such concerns.

Natural justice is also known as procedural fairness and applies in situations where a decision could potentially have a detrimental effect on the rights, interests or legitimate expectations of a person.

Procedural fairness requires that:

1. The respondent is heard
2. The decision is not biased
3. The decision is based on relevant and reliable evidence

### **Parents**

Complaints or grievances pertaining to classroom issues, or that relate to other children are to be dealt with by school personnel. It is not appropriate for parents to approach other parents, or their children, with the intention of resolving the issues.

### **Who do I see?**

- The first point of contact is the student's class teacher. Please contact the school office to make an appointment with the teacher concerned.
- If parents are not satisfied with the solutions offered, or believe that they have not been given a fair hearing, they are encouraged to make an appointment with the Stage Co-ordinator.
- Religious Education Matters can be discussed with the REC if your child's teacher is unable to help you.
- Should the issue remain unresolved after this time, an appointment is made with the Assistant Principal or Principal to further discuss the issues.
- If you would like to raise a concern formally, the Catholic Education Office, Parramatta has procedures for ensuring that complaints are handled fairly. Information about how to lodge a complaint and a complaint form are available from their website [www.parra.catholic.edu.au](http://www.parra.catholic.edu.au).

***Please remember there are usually at least two sides to every story and whilst it is important to listen to the children, it is also important not to draw conclusions or make accusations until all the facts are known.***

### **Students**

- The procedure for students is:
- If issues arise in the classroom, students are encouraged to speak to their class teacher in order to seek support in finding a resolution.
- Students encountering problems on the playground are asked to talk to the staff member on duty at the time of the incident. If they believe that their concern has not been adequately addressed they are encouraged to speak to their class teacher.

***All students at OLR are taught to adopt the school's Three Step Plan to find a resolution. This plan is displayed in each learning area, is discussed regularly in class and forms part of the Student Wellbeing Policy.***

- Try to work out a solution yourself.
- Ask a friend to help you.
- Ask a teacher for help.

Students can also speak to the Co-ordinator, Assistant Principal or Principal, as well as any other staff member about issues they may have.

*Mandatory compliance & General Reminders cont'd*

### **Ordering Canteen Lunch Orders**

You can order your child's lunch online at flexischools.com.au. You simply go online and create an account, then you top up your account using either a credit card or direct transfer. Logon and order your child's lunch then the canteen prints your order in the morning, makes your child's lunch and it gets delivered to your child's classroom at lunchtime.

You can still order your child's lunch through the school canteen by writing your order on a paper bag with the correct money inside. Your child then places the order into the lunch basket which is taken to the canteen in the morning and your child's lunch is delivered to your child's classroom at lunchtime.

### **Change of Home or Emergency Contact Details**

If you have any changes to your home or emergency contact numbers, please contact the school office as soon as possible. In cases of sickness or emergency, it is important that we have the correct contact details for your child(ren). A change of details form is available on the school website or you can collect one from the school office. You can also update your details via the school's skolbag app under the Parent eForms tab.

### **Parents Helping/Volunteering at School**

Parents are reminded that, if entering the school grounds to help in learning spaces, they are required to sign in at the office on arrival, and sign out on departure and must wear a visitor's badge at all times.

### **Child Protection Training**

If parents are planning on assisting/helping at the school, they are required to first complete the online CEO Child Protection Training. The training is undertaken over the internet at [www.childprotection.parra.catholic.edu.au/volunteers](http://www.childprotection.parra.catholic.edu.au/volunteers).

Step 1: Complete 'Building Child Safe Communities - Undertaking for Volunteers' Form

You will need to complete a Volunteers Form for **each location** that you volunteer. A notification of your successful completion of the form will be sent via e-mail to the volunteering location and also to your email address.

*Also*

Step 2: Complete the online training module

It is a system requirement that the online training module be completed by all volunteers commencing at any of our locations and this training needs to be completed every second year.

**Due to Child Protection Legislation both of these modules need to be completed if you wish to volunteer at Our Lady of the Rosary School.**

### **Reminder to Parents**

Parents remember if you are entering the school grounds to attend assembly, classroom activities, etc. you are required to sign in at the office on arrival and sign out on departure.

### **Kiss'n'Drop Zone**

#### **Morning Drop Off**

Kiss 'n drop is a drop off/pick up zone only. Parents do not get out of their car. Just pull up at the Kiss 'n drop zone, give your child/ren a kiss and then they depart the car and walk through the gate. If you wish to walk your child into the gate, you need to park in a parking zone (NOT the Kiss'n Drop zone or a No Stopping zone), and then walk your child into school. Please remember that this is not simply a legal matter, but a protocol that needs to be followed to keep our children safe.

*Mandatory compliance & General Reminders cont'd*

**Afternoon Pick Up**

To use kiss'n'drop in the afternoon you **MUST have a name sign**. For large families, a surname is sufficient. e.g. "BROWN FAMILY". Please **attach the NAME SIGN to the 'front' of the passenger side sun visor** so it can be flipped down quickly and seen easily. Signs lying flat on the dash board can't be easily seen. Hand held signs are not safe as they take the driver's attention away from the road/driveway. Other carers picking up your child **MUST also have a sign**. If they don't, they will need to park. See the front office for a form and we will make a sign for you.

If there is a **medical or other reason** why you need to be given other considerations, with afternoon pick up, please write directly to the Principal so a "special permit" can be issued.

**Loading children Into Cars**

You **MUST NOT get out of your car**.

Children **MUST enter your vehicle from the kerbside**. If you have to load children from the driveway side of your car I am sorry but you will need to park and collect. **It is not safe** for children or adults to be on the driveway side of vehicles.

**Times:** Children **MUST be collected by 3:15pm**. After this time you will need to park and collect your child from the school office. This is not an after school care service.

**Children Waiting:** Children are **NOT to eat or play games** while they are waiting. If children who do not listen and/or **don't come as soon as their name is called**, those picking them up will be asked to park so that others are not kept waiting. Children must take their backpacks off their back before they get to the car so they can get in quickly. Please move off as soon as your children are in the car but ensure they are 'buckled in' before leaving the school driveway.

**Courtesy and Respect:** Teachers who are on this duty need to be treated with respect and courtesy and parents must follow their directions. They have a difficult job to do and need everyone's help.

Please make sure everyone is spoken to politely and respectfully – parents and staff alike.

Parents must not use the driveway of the units opposite the school as a turning bay; this is not showing respect or courtesy to our neighbours.

**Local Traffic:** Cars are not to stop on the school crossing or 'queue up' back onto Saddington St. If there is a queue you need to go around the block or park in the street.

There is **NO RIGHT TURN into the driveway** from Saddington St.

There is **NO RIGHT TURN going out of the driveway** into Saddington St.

Anyone **speaking on a mobile phone**, or driving illegally in any other way, will be asked to park and collect their child.

Thank you for your support and cooperation.  
Everyone working together for the good of the children  
and the quality of their learning.

## Zone Athletics Carnival

By Madison Fenech and Teischa Acuna

On the 10th of August, students from OLR participated in the zone Athletics Carnival at Blacktown. There were more than 10 schools that we had to go up against. Some students from OLR placed 1-5 but others still tried their very best and did a good job.

The races that OLR students participated in were 800 metre race, long jump, shot put, 100 metre race and lastly the 200 metre race. We represented our school and tried our best to make our school win. When you are racing on the track you can hear people from the crowd cheering you on and you are tempted to look, but you have to focus on racing. It was fun to go to Zone because we got to participate in different races.

The following students made it to the next level; Garang Lual, Spencer Webster and Amosia Soatini. A special mention to Amosia who broke the senior shot put record.

## REGIONAL ATHLETICS CARNIVAL

***Congratulations***.....Amosia Soatini for coming first in Shot Put breaking the record at 13.50 metres and for coming first in the Discus also breaking the record at 42.08 metres.

An outstanding effort and all the best Amosia for the next meet at the Parramatta Athletics Representatives MacKillop Track & Field Championships.
