*From the Principal,*

Dear Parents and Friends .

### 2019 NSW Premiers Readers Challenge

Last year many children from Our Lady of the Rosary participated in the Premiers Readers Challenge. Once again this year I encourage all our students to pursue their love of reading for leisure, pleasure and learning by participating in the 2019 Premiers Readers Challenge. The Reading Challenge commences 4 March and concludes on the 30 August 2019. For more useful information about the challenge go to the following website: [www.premiersreadingchallenge.nsw.edu.au](http://www.premiersreadingchallenge.nsw.edu.au)

### More Than a Great Education

This year Our Lady of the Rosary will join Catholic Schools across NSW and the ACT to celebrate Catholic Schools Week from 3-9 March. The theme for CSW 2019 is 'Transforming Learning' which encourages schools to showcase for the community what's happening in our classrooms. In the coming weeks please check the diary section of our newsletter for the dates and times of the OLR Catholic Schools Week events which include: Liturgy, open classrooms and Parent Information session

It is important that we reflect on the unique contribution of Catholic schools to our collective goal of education. Each Catholic school shares an ethos that is inclusive, welcoming and vibrant. Each school works towards a vision of each student as made in the likeness and image of God. This means that we work towards helping each child, irrespective of background, ethnicity or creed, reach their full potential academically, spiritually and socially. To be in the likeness and image of God means that we have the capacity to truly care for ourselves, each other and the environment around us.

While each Catholic school shares this profound commitment to this vision, every school does this differently. Each school is influenced by the community it serves For this reason, every Catholic school works in a unique and distinctive manner in educating each child to holistically develop their talent, skills and potential. Saint Paul writes in his first letter to the Corinthians; 'For just as the body is one and has many members, and all the members of the body, though many, are one body, so it is with Christ.'

Each Catholic school is a vital member of the one community which is called to work towards the Kingdom of God. Each Catholic school contributes to this mission in a unique way.

### Prayer for Catholic Schools Week

Catholic Schools Week is a special time when we celebrate the extraordinary achievements of our Catholic Schools. It is a time when we give thanks for the wonderful teaching and learning that takes place every day in every classroom. We pray for all who work in the service of Catholic Education who create the opportunities for children to grow and thrive.

## TRAVELLING THE WORLD WITHOUT LEAVING HOME

Not every family can take a year off and travel the world but we can all teach our children to know and respect the geography and cultures around the world.

### WAYS TO OPEN UP THE WORLD

**Read around the world.** Focus on one area of the globe each month - Africa, Europe, North America and so on - reading age-appropriate books and stories about those regions.

**Decorate your home with maps.** You can buy beautiful maps, globes and atlases. You can also buy stick-on map decals for the wall. Anytime you encounter a place in a book or hear from a relative travelling abroad or talk about a country in the news, you can locate the place on the map. Use coloured pins to mark them.

**Try international foods.** Try to eat every type of cuisine you can. Night markets often have a range of ethnic foods, usually reasonably priced. Choose from the international sections of the supermarket to cook new recipes. Visit an Asian or Middle Eastern supermarket and see what you can discover. Use the maps to show the family where people eat these foods.

**Use the mail.** A pen pal can not only provide a glimpse into another country but can turn into a lifelong friendship or passion. The borders in children's minds will start to expand as they bond with someone from another country. While this could be a great idea be mindful of scams from overseas.

**Sponsor a child.** Families can give money to help a child out of poverty through organisations such as Unicef Australia. Make it a family project that everyone contributes to. Discuss the other child's home country and culture, and the challenges they face. **These are all simply starting points for talking more with your children** about the world outside your home and how your family interacts with that world.

**The world is a wondrous place. It's by getting outside of ourselves that we can really get to know what's inside of ourselves, what's inside of each and every person on our planet: a longing for love, connection, happiness, peace.**

### Important Notice

#### ANAPHYLAXIS REMINDER

"As you may or may not be aware there are a number of children attending our school who have severe allergies to many different foods. This means that if these children come in contact with any food products they will have a severe allergic reaction.

**We also ask that you remind your children not to share their lunch or any other food with another child"**

### CEDP Parent Representative Council

I am inviting members of our community to nominate themselves for the position of OLR member of The Parent Representative Council (PRC) for the Diocese of Parramatta.

The PRC is a volunteer parent organisation that has proudly served the Diocese of Parramatta continuously for more than 30 years. The PRC work closely in collaboration with Bishop Vincent Long Van Nguyen, the Executive Director Greg Whitby and the CEDP Executive Team, Parish Priests, Principals and School Parent Bodies in providing additional support to families throughout their child's learning journey with in the Catholic Education System.

The PRC expressed their appreciation for the 2018 School Reps support in advocating and promoting the PRC work, meetings and keynote speakers for 2018.

The PRC are looking forward to 2019, our theme for this year is focused on Wellbeing. Meetings and supporting topics will focus on student, parent, family and spiritual Wellbeing. Other key initiatives for 2019 year will be:

Supporting the new RE curriculum. There already is a Parent Advisory Group in place working with the mission team.

Promoting the importance of Catholic Education to politicians in the led up to the elections for both state and federal.

Putting together a parent submission for the 2020 Plenary Council

Undertake a review on the School Parent Body Constitution

Deliver Parent General Meetings

The Schools Parent Rep and Alternate Rep will be an important part of the above initiatives and their positions will provide a voice for our community.

If you are interested in nominating yourself for this position or would like to make further enquiries, please contact me by note, email (olorstmarys@parra.catholic.edu.au) or phone (8856 8301).

#### Thought for the Week

"We have a Lord who is capable of crying with us, capable of walking with us, capable of walking with us in the most difficult moments of life."

Pope Francis.

Have a Blessed Week

# MEET AND GREET

## Building a strong culture of parent-school engagement

Parental engagement recognises the important role that both parents and teachers play in developing positive attitudes towards learning and education for children, building their motivation and confidence as learners, and fostering their enjoyment of learning.

Parents and families play an important role in supporting their child's education. Research has shown that when schools and families work together, children do better, stay in school longer, are more engaged with their schoolwork, go to school more regularly, behave better, and have better social skills. Parent engagement also results in longer term economic, social and emotional benefits.

This week, we invite parents and carers to come to school to meet their child's teachers. These meetings involve the development of *shared goals with input from parents, teachers and children and allow for a shared learning environment to be established from the very beginning.*

We recognise that all children are different and their learning journey needs to be catered to their specific needs.

**Teacher's Role:** Teachers will facilitate the meeting and give insight into how your child has started the school year.

**Parent's Role:** Parents will give teachers any information they feel is relevant for the academic, social and emotional support they will require at school.

**Child's Role:** To share their ideas about where they feel they are doing well and which areas they are looking to grow and further develop this year.

**After the meeting** we ask that, as parents you regularly check in with your child as to how they feel they are working toward their goals and when they feel they have achieved them.

These formal meetings are not the only time you can meet with teachers. If you ever have any concerns about your child's learning or well being please call the office and make an appointment. It is important that if you ever have concerns you let us know as soon as possible **"we can't do anything about something we know nothing about."**

## Gospel Lk 6:27-38

A reading from the holy Gospel according to Luke

### ***Be merciful as your Father is merciful.***

Jesus said to his disciples: 'I say this to you who are listening: **Love your enemies, do good to those who hate you, bless those who curse you, pray for those who treat you badly. To the man who slaps you on one cheek, present the other cheek too; to the man who takes your cloak from you, do not refuse your tunic.** Give to everyone who asks you, and do not ask for your property back from the man who robs you. Treat others as you would like them to treat you. If you love those who love you, what thanks can you expect? Even sinners love those who love them. And if you do good to those who do good to you, what thanks can you expect? For even sinners do that much. And if you lend to those from whom you hope to receive, what thanks can you expect? Even sinners lend to sinners to get back the same amount.

**Instead, love your enemies and do good, and lend without any hope of return. You will have a great reward, and you will be sons of the Most High, for he himself is kind to the ungrateful and the wicked.**

'**Be compassionate as your Father is compassionate.** Do not judge, and you will not be judged yourselves; do not condemn, and you will not be condemned yourselves; grant pardon, and you will be pardoned.

Give, and there will be gifts for you: a full measure, pressed down, shaken together, and running over, will be poured into your lap; because the amount you measure out is the amount you will be given back.'

**The Gospel of the Lord.**

**R: Praise to you Lord Jesus Christ.**

## REFLECTION on the Gospel

by Fr Michael Tate

**Jesus challenges us to unlearn the language of the world and to learn a language which is counter-cultural, paradoxical, perplexing,** such as: 'Love your enemies, do good to those who hate you' etc, etc. Are such attitudes and actions possible?

Our Lord is the best model. *Jesus is the Word of God in human history. Jesus is the language of Heaven spoken in a human life.*

*We have to read the Gospels and then imitate His dialect. Otherwise we might merely mutter to ourselves which would end up being eternally Hellish.*

When we become aware of our language malpractice, i.e., sinning, and if we become *really tongue-tied, i.e., seriously sinning, we can come to the Sacrament of Confession and emerge articulate and conversant with Christ again. We can talk with Our Lord again. We are singing the same tune.*

Then at the moment of death we can gracefully pass over to our intended destiny which is not incommunicado, but communicado, holy communicado, holy conversation with God and with every creature.

**We might pause for a moment and resolve to practise the language of Heaven and to 'walk the talk' every day.**
